8(a) STARS II

GSA 8(a) STARS II GWAC is a multiple-award, indefinite-delivery/indefinite-quantity (IDIQ) contract designed to rapidly provide leading technology solutions to any federal agency from 8(a) small businesses. 8(a) STARS II consists of two constellations (tiers). Constellation I includes firms with competitive pricing and technical proficiency, while Constellation II firms also possess an industry credential such as ISO 20000:2011. Phacil will offer services at both Constellations I and II, including custom computer programming, computer systems design, computer facilities management, and other computer related services.

GSA 8(a) STARS II provides access to exceptionally qualified 8(a) small business industry partners, enabling federal clients to earn 8(a) small business credit.

8(a) STARS II Features	Benefits
\$10B program ceiling and five-year base period with one, five-year option	Allows for long term planning of large scale program requirements
Directed task orders up to \$4M	Simplifies acquisition of services from 8(a) firms
Permits other direct costs when it is integral and necessary to the IT effort	Facilitates integrated IT solutions
Contract types include: fixed-price, labor-hour, and time-and-material	Offers flexibility of contract types to mitigate risk
Access to exceptionally qualified 8(a) small business industry partners	Enables federal clients to earn 8(a) small business credit
Pre-competed, easy-to-use contract with streamlined ordering procedures based on FAR 16.505	Saves time and money by reducing procurement lead time
Complimentary scope compatibility reviews	Promotes contract compliance and reduces risk of adverse audits
Compliance with Section 843 of the National Defense Authorization Act (NDAA) of 2008 and Section 863 of NDAA 2009	FAR 16.505 Fair Opportunity process supports best value awards
Pre-approved 8(a) businesses ready for direct award	Saves time with no additional required SBA approvals or coordination

CUSTOMER TESTIMONIALS

Here is a sampling of what our customers are saying about us...

MISSILE DEFENSE AGENCY

"As you know the CIO said he'd never met a successful migration. You just gave him a case study of how to do a migration well. In the end you made it seem easy, almost too easy."

U.S. DEPARTMENT OF AGRICULTURE

"Phacil completed an extremely condensed contract transition period with astonishing efficiency."

GENERAL SERVICES ADMINISTRATION

"Phacil has provided exemplary service in exceeding the Government's requirements. They are to be commended for their cost saving initiatives and commitment to excellence."

U.S. ARMY

"Management of the SBIR Management Portal continues to be a key to effectiveness. Phacil continues to find ways to improve an already exceptional web-based service."
